PRESIDENT'S LETTER

Dear ASSP Colleagues,

I think of October as the official kickoff month of the holiday season. Fall may not be in the air just yet (another record high temperature expected today), but eventually our weather will change. This is as good a time as any to remind our friends and families about the importance of safety at home. Time to start checking out those heating systems, fireplaces/chimneys, and home smoke/fire alarm systems for when the temps do drop down in the overnight hours. Seasonal recreational activities such as going out to ballgames, making sporting trips, enjoying Halloween festivities, etc – all have unique safety considerations. These are important conversations and preparations we need to teach and put into practice.

As always, thank you for all you do to keep others safe at work and at home. And please mark your calendars for our next Chapter meeting on October 18th at the AGC. We'll see you then!

Matt Hollub, CIH, CSP

President, ASSP Alabama Chapter

October Chapter Meeting

Friday, October 18th from 11:30 AM – 1:00 PM - [Click Here for Details](#)

2019 Southeast Mine Safety & Health Conference

November 4-7 [Click Here for Details](#)

CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example: Fleet Safety Manager, Director of Environmental, Health and Safety, Risk Manager, etc.

We will post the jobs to our website at alabama.assp.org. This is done currently at no charge, but the chapter is always accepting donations to help establish our scholarship fund. Your contribution is appreciated.

NEW POSTING: [Associate EHS Manager - Troy, AL](#)

Please e-mail the job information to kmfriend061@gmail.com

Visit the ASSP Alabama Chapter Jobs Website Page
