PRESIDENT'S LETTER

Greetings ASSP Colleagues –

Here's hoping all went well for you and yours over the holiday season. For most of us, the experience was a little bittersweet, given all the exposure control precautions necessary to keep people safe these days.

I also hope you enjoyed our December virtual joint meeting with the North Alabama Chapter. Tami Bray has a great group up in the Huntsville area and I appreciate her bringing a bunch of them to our little get-together. Hopefully, we can wrangle more joint meetings down the road. Last month, we had around 50 folks in attendance between our two Chapters. This month, I'd love to hit 50 attendees from our Chapter alone. Let's encourage others to jump in the mix with our virtual meetings and help keep our Alabama Chapter going strong going into 2021 !

Our January meeting will be one week later than our usual "3rd Friday" schedule. I hope you'll be able to join us on January 22 for a presentation on Hazardous Materials Management by UA SafeState's Michael Rasbury. If you recall, Michael delivered a great session on "Environmental 101" for safety managers at about this time last year, so we're happy to have him back and sharing on this all-important topic.

Thank you and take care out there!

Matt Hollub, President

CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example: Fleet Safety Manager, Director of Environmental, Health and Safety, Risk Manager, etc.

We will post the jobs to our website at alabama.asse.org.

Please e-mail the job information to kmfriend061@gmail.com
