PRESIDENT'S MESSAGE

Greetings, ASSP Colleagues –

Our ASSP Chapter Recognition and Awards meeting was a truly special event. Congratulations again to our longtime service members, our talented students who received \$ 1000 scholarships to help with their educational pursuits, and to our Chapter and Region Safety Professionals of the Year. It felt great getting back together at AGC and we'll do it again this month on June 18th. For those of you who may not be able to attend, we will offer the meeting via Zoom, too. Our topic will be Excavation Safety, and I hope you'll be able to be with us.

Last month, elections were held at the Chapter level and within a couple of our Sections. Congratulations and Welcome to our new ASSP leadership heading into our 2021-22 activity year:
